SECTION-1: INTRODUCTION

1.1 Background

1.1.1 There has been reverse migration of workers/ poor in the country due to COVID-19 pandemic. Urban migrants/ poor consisting of workers in manufacturing industries, domestic/ commercial establishments, health sector, service providers, hospitality industry, construction or other such sectors play an important role in an urban economy. They come from rural areas or small towns for seeking better employment opportunities in urban areas. In order to maximize savings, they often compromise with living conditions to send remittances to families left behind at their native places. Usually, they live in slums, informal/ unauthorized colonies or peri-urban areas to save on high rental charges. They spend a lot of time on roads by walking/ cycling to workplaces, risking their lives to cut on expenses. It also causes drudgery/ anxiety/ psychological breakdown and health problems because they compromise on rest, recuperation and hygiene conditions. Provision of rental housing options closer to workplace will improve their productivity. Therefore providing ease of living through access to dignified affordable housing, close to their workplace is an imperative.

1.1.2 Housing is one of the basic necessities of life and the same is also adopted in Directive Principles of State Policy enshrined in the Constitution of India. A large proportion of urban migrants/ poor from all categories may already have a house or own a piece of land in their respective place of domicile. They may not be interested in ownership housing in urban areas and generally look for affordable rental accommodation to save on expenses. The affordable rental housing will promote inclusive urban development and prevent growth of slums.

1.1.3 Government of India aims to promote economic activities aligned with the vision of 'AatmaNirbhar Bharat'. Moving forward, Ministry of Housing and Urban Affairs (MoHUA) has initiated a scheme for development of Affordable Rental Housing Complexes (ARHCs) for urban migrants/ poor under Pradhan Mantri Awas Yojana -Urban (PMAY-U). ARHCs aim at creating vibrant, sustainable and inclusive affordable rental housing avenues for urban migrants/ poor by 'aggregation of their demand at a given site'. These ARHCs will provide them dignified living with all civic amenities in proximity to their work place by Construction, Operation and Maintenance by Private Entities (Industries, Industrial Estates, Institutions and Associations)/ Public Agencies on their own available vacant land.

1.1.4 Targeted beneficiaries for ARHCs will be urban migrants/ poor from Economically Weaker Section (EWS)/ Low Income Group (LIG). They include

labour, urban poor (street vendors, rickshaw pullers, other service providers etc.), industrial workers, and migrants working with market/ trade associations, educational/ health institutions, hospitality sector, long term tourists/ visitors, students or any other persons of such category. Preference under the Scheme shall be given to persons belonging to Scheduled Castes/Scheduled Tribes/Other Backward Classes, Widows and working Women, Divyang, Minorities, subject to beneficiaries being from EWS/LIG segments as provisioned by the Government.

1.1.5 ARHCs will be constructed in all Statutory Towns, Notified Planning Areas and areas of Development/ Special Area Development/ Industrial Development Authorities.

1.1.6 Projects under ARHCs will be applicable for consideration and funding till PMAY (U) Mission period i.e. March 2022.

1.2 Definition of Affordable Rental Housing Complexes (ARHCs)

1.2.1 “Affordable Rental Housing Complex means a project to be used for rental purpose only for urban migrant/ poor (EWS/ LIG categories) for a minimum period of 25 years with basic civic infrastructure facilities such as water, sanitation, sewerage/ septage, road, electricity along with necessary social/commercial infrastructure and the initial rent fixed by Local Authority/ Entities based on local survey of surrounding area wherein the project is situated and shall be operated for a minimum period of 25 years.

1.2.2 Project means a listed project having at least 40 Dwelling Units (DUs) consisting of a double bedroom (upto 60 sqm carpet area) or a single bedroom (upto 30 sqm carpet area) or dormitory beds (upto 10 sqm carpet area) in any ratio but not more than one third of total built area under double bedroom units. Every DU will have individual or shared living area, kitchen, toilet and bathroom”.

SECTION-4: TERMS OF REFERENCE

4.1 BACKGROUND

4.1.1 Due to large scale reverse migration in the wake of COVID-19, most of the organisations such as manufacturing industries, domestic/ commercial establishments, health & education sector, service providers, hospitality industry, construction or other sectors are facing lots of problems due to paucity of skilled or semi skilled manpower which is impacting the Indian economy adversely.

4.1.2 A large portion of available vacant land is lying unutilized with Industries, Trade Associations, Manufacturing Companies, Educational/ Health Institutions, Development Authorities, Housing Boards, Central/ State Public Sector Undertakings (PSUs) and other such Entities. While finding suitable land in the city near centres where migrants work/ study is a challenge, Entities who own huge lands have an opportunity for construction of ARHCs.

4.1.3 However, certain restrictions posed under local planning and Development Control Regulations (DCR) do not permit them to utilize available vacant land for offering affordable housing facilities to migrants/ poor.

4.1.4 In order to address this problem, Government of India has initiated to develop ARHCs for urban migrants/ poor, by incentivising the Private/ Public Entities for Construction, Operation and Maintenance of ARHCs by on their own available vacant land.

4.1.5 After development of ARHCs, urban migrants/ poor will have access to dignified accommodation, close to their workplace at affordable rent. Productivity of organisations will increase due to sustained supply of work force, boosting the Indian Economy. Further, availability of formal rental housing options will reduce proliferation of slums.

4.2 Scope of work

4.2.1 Construction of ARHCs on their own available vacant land and operate & maintain for a period of 25 years.

4.2.2 All projects under ARHCs shall be exclusively used for rental housing purposes for aforesaid target groups for a period of 25 years.

4.2.3 Entity can Partner or associate with other Entities for land arrangement, project financing, implementation and operation & maintenance.

4.2.4 “Affordable Rental Housing Complex means a project to be used for rental purpose only for urban migrant/poor (EWS/LIG categories) for a minimum period of 25 years with basic civic infrastructure facilities such as water, sanitation, sewerage/ septage, road, electricity along with necessary social/commercial infrastructure and the initial rent fixed by Local Authority/ Entities based on local survey of surrounding area wherein the

project is situated.

4.2.5 Project means a listed project having at least 40 DUs consisting of a double bedroom (upto 60 sqm carpet area) or a single bedroom (upto 30 sqm carpet area) or dormitory beds (upto 10 sqm carpet area) in any ratio but not more than one third of total built area under double bedroom units. Every Dwelling Unit will have individual or shared living area, kitchen, toilet and bathroom”.

Type of Dwelling Units (DUs)	Carpet Area (sqm)	Unit Structure	Ratio under ARHCs
Single Bedroom	Up to 30	1 bedroom, living room, kitchen, bathroom and toilet.	Ratio of dwelling units and dormitory beds may vary as per project requirement.
Dormitory	Up to 10	Separate bed, side table, shelves, lockers, common facilities of kitchen and toilet.	
Double Bedroom	Up to 60	2 bedroom, living room, kitchen, bathroom and toilet.	A maximum of one-third (33%) of total DUs in the project is permissible as ARHCs.

4.2.6 DUs and Dormitories under ARHCs should be designed and constructed as per the requirement of structural safety against earthquake, flood, cyclone, landslides etc. conforming to NBC and other relevant Bureau of Indian Standards (BIS) including local byelaws .

4.2.7 ARHCs projects should have basic civic infrastructure facilities like water, sanitation, sewerage/septage, drainage, road, electricity etc. including necessary social/commercial infrastructure to make it livable. Project design may include sustainable systems such as rainwater harvesting, waste water management, renewable resources with special focus on solar energy.

4.2.8 Initially, affordable rent of ARHCs will be fixed by Entity as per local survey. Subsequently, Entity can increase rent biennially at 8%, subject to maximum increase of 20% in aggregate, over a period of 5 years, effective from the date of signing of contract. Same mechanism shall be followed over the entire concession period i.e. 25 years.

4.2.9 Entity may use ARHCs to provide accommodation to their own workers/ labours as well as serve requirement of neighboring entities.

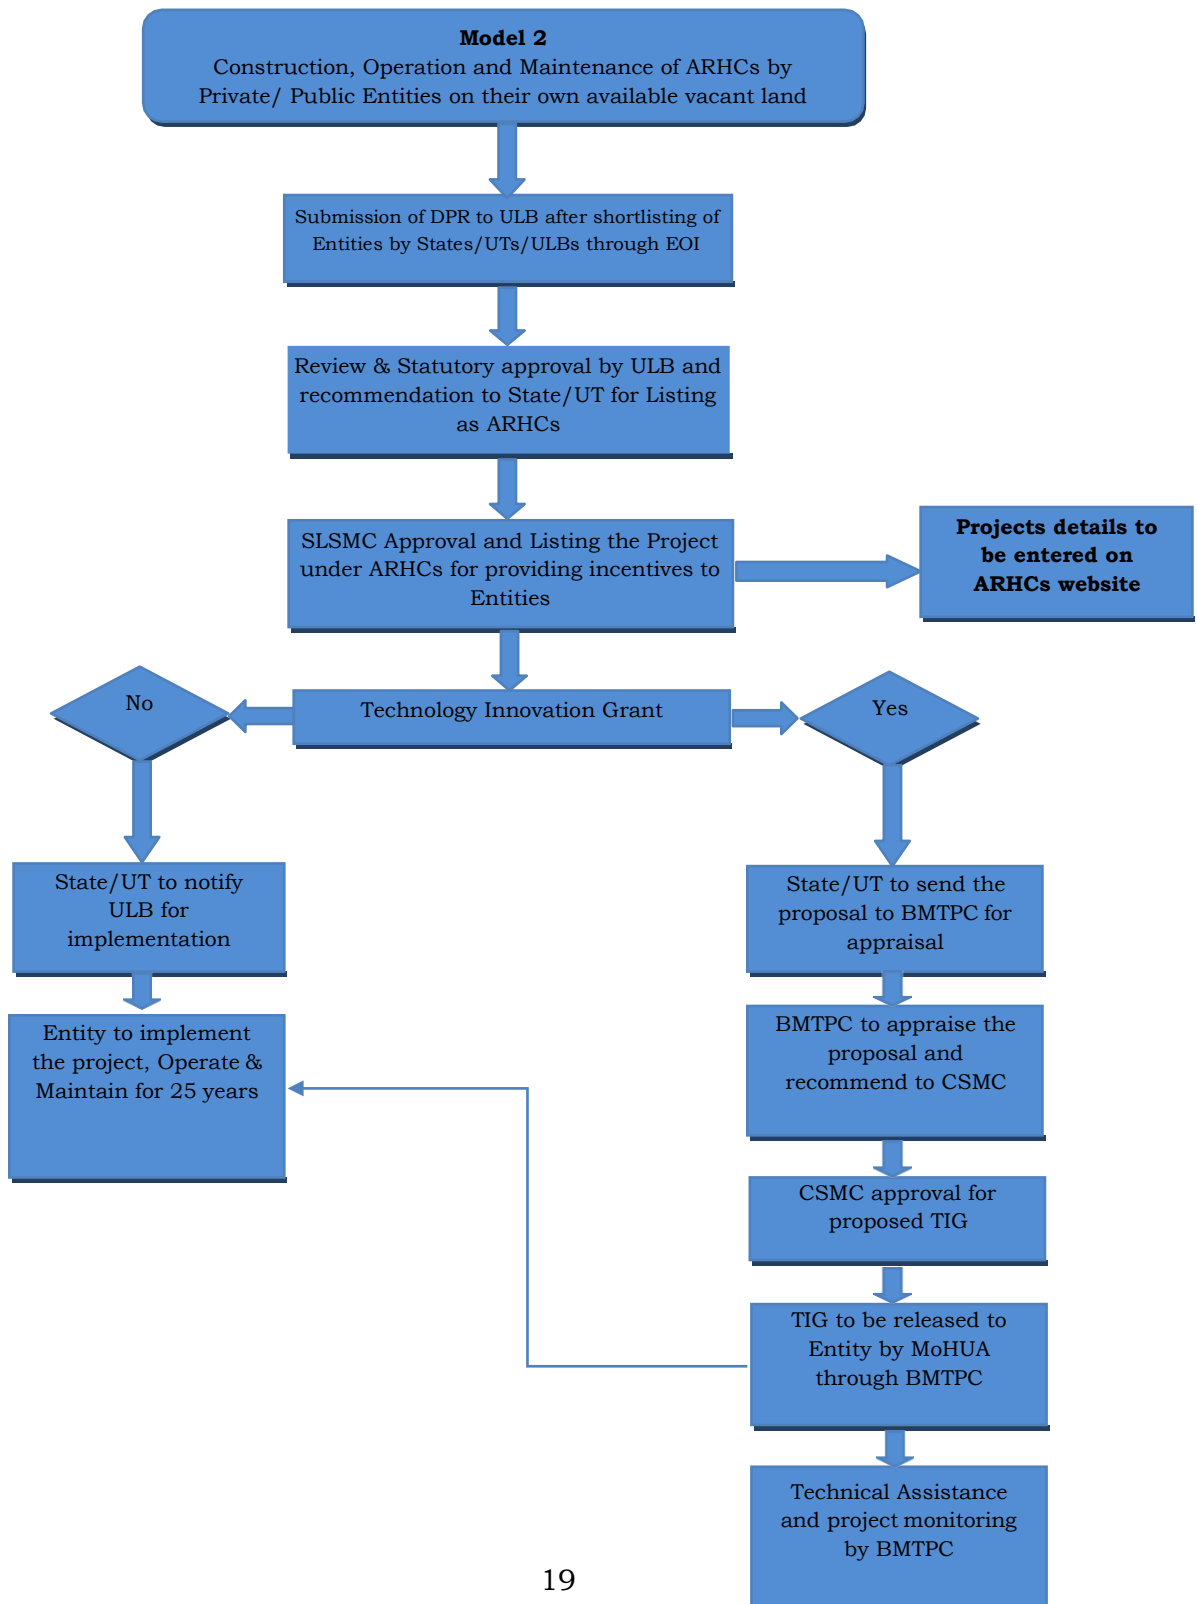

4.2.10 For sustained occupancy and continued revenue, Entity may tie up with local industry/ manufacturers/ service providers/ educational/ health institutions/ market associations/ others employing urban migrants/ poor to provide accommodation in-block and remit rental by deducting directly from their salary/ fees/ any kind of remuneration, as feasible. These rental housing complexes may also be run through partnership with Aggregators.

4.2.11 Entity themselves or through associated institutions/organizations may organize suitable point-to-point transport, if needed.

4.2.12 Respective State/UT Government will provide suitable public transport from city centre to work place.

4.2.13 Within the ARHCs campus, Entity may rent or sell permissible commercial built up area as per local regulations.

The flowchart showing steps for implementation of ARHCs is as under:

4.3 Incentives/ Benefits to the Entities

4.3.1 The following incentives have been proposed by Government of India:

- i. Exemption of Income Tax on any profits and gains derived from operation of ARHCs on similar lines as that of 'Affordable Housing' under section 80-IBA of Income Tax Act, 1961.
- ii. Exemption of GST on any profits and gains derived from operation of ARHCs, at par with rental services of residential premises, vide Notification number 12 of 2017- Central Tax (Rate) dated 28th June 2017.
- iii. Entity shall receive project finance/loan at lower interest rate through concessional window under Affordable Housing Fund (AHF) by Housing Finance Companies (HFCs) and Priority Sector Lending (PSL) by Commercial Banks, upon inclusion of ARHCs in Harmonized Master List (HML) on the same lines of 'Affordable Housing'.
- iv. TIG of Rs. 1,00,000/- per dwelling unit in case of double bedroom (up to 60 sqm carpet area), Rs. 60,000/- per Dwelling Unit (up to 30 sqm carpet area) in case of single bedroom and Rs. 20,000 per Dormitory Bed (up to 10 sqm carpet area) shall be released by MoHUA to Entities through BMTPC.

4.3.2 In addition to the above incentives, it is proposed that Entity will also get the following benefits through Vadodara Municipal Corporation:

- i. Vadodara Municipal Corporation will provide "Use Permission" changes for houses on vacant land, if needed.
- ii. State may also provide 50% additional Floor Area Ratio (FAR)/ Floor Space Index (FSI) free of cost through necessary changes in local planning and Development Control Regulations (DCR).
- iii. Approval of design/ drawings and other statutory approvals within 30 days through single window system, after which proposed project will be considered as deemed approved for construction.
- iv. Necessary trunk infrastructure facilities like road, sanitation services, water, sewerage/septage, drainage, electricity etc. up to project site without any additional cost to Concessionaire.
- v. Municipal services such as water supply, electricity, house/ property tax, sewerage/ septage charge etc. for operation of ARHCs will be levied at par with residential projects.

4.3.3 As a part of this endeavour, MoHUA is inviting an Expression of Interest (EoI) from interested Private sector Entities as well as Public Agencies to undertake construction of ARHCs on their own available vacant land and operate & maintain for a period of 25 years. The scope of this EOI is across the country and Public/private entities can apply for any ULB/city/town/planning area or any

other scheme guideline through a dedicated ARHC website.

4.4 Technology Innovation Grant

Application of innovative construction technologies at limited scale has cost implications. To offset this impact and absorb cost implication and other related factors, Technology Innovation Grant (TIG) of Rs. 1,00,000/- per double bedroom (up to 60 sqm carpet area), Rs. 60,000/- per single bedroom unit (up to 30 sqm carpet area) and Rs. 20,000 per Dormitory Bed (up to 10 sqm carpet area) has been provisioned. TIG will be a financial grant under PMAY (U) through Technology Sub-Mission (TSM) which will be given to the Entities by MoHUA through BMTPC. TIG will be applicable only for projects using innovative and alternate technologies and sanctioned during the PMAY(U) Mission period (March 2022) and completed within 18 months after getting all statutory approvals.

4.5 Payment Schedule

MoHUA has provisioned for an additional grant in the form of TIG for the project using innovative & alternate technology for speedier, sustainable, resource efficient and disaster resilient construction. MoHUA will release TIG under TSM of PMAY-U through BMTPC to shortlisted Entities in two installments as follows:

- i. 1st installment of 50% will be released after grounding of project.
- ii. 2nd and final installment of 50% will be released after completion of projects in all respect, along with utilisation certificates of all earlier releases with project completion report.

4.6 Working Arrangement

4.6.1 Evaluation of the EOI will be conducted by the Vadodara Municipal Corporation as per the defined eligibility criteria. Upon shortlisting, the Entity shall submit the DPR to the Vadodara Municipal Corporation for scrutiny and forwarding to State/UT for 'Listing' of the project as ARHCs and upload a copy of DPR on ARHC website i.e. www.arhc.mohua.gov.in. The Entity will also submit required documents for statutory approval of project to the concerned authority. After approval and receipt of Commencement Certificate, the Entity may initiate construction work.

4.6.2 MoHUA and Vadodara Municipal Corporation shall take all administrative decisions pertaining to this scheme through Central Sanctioning and Monitoring Committee (CSMC) and State Level Sanctioning and Monitoring Committee (SLSMC) for taking suitable measures for smooth implementation of the Scheme.

4.6.3 Vadodara Municipal Corporation shall review the project status and implementation of contract terms on a periodic basis, as per requirement and take appropriate actions.

4.6.4 A dedicated Escrow Account shall be opened by the Entity for all financial transaction of ARHCs projects. Income accrued as rent from these projects will be kept in a separate account and maintained by the concerned Entity. The account shall be managed as per the prescribed accounting system.

4.6.5 The selected Entity may use hybrid construction using structural system of one of the identified technologies by CPWD/BMTPC/GHTC-India.

4.6.6 In case of TIG, project will be appraised by BMTPC for CSMC approval and undertake Third Party Inspection & Monitoring during its construction.
